A Note from the Breeder:

Thank you for your interest in a Lisotty French Bulldog. I appreciate you taking the time to fill out this application so I can try to match you with a puppy or adult that will best suite your preferences and life style. While I am always available to answer any questions you may have, please do your part and research the breed. There are potential health risks to the Frenchie that you need to be aware of and understand before making the decision to add one to your family.
